United States District Court for the
Southern District of New York

Re: *United States v. Yunseo Lee*, 20 Mag. 8202.

Dear Judge Wang:

I am CJA counsel to Yunseo Lee. Ms. Lee is charged with Conspiracy to Unlawfully Export Dual-Use Electronics Components, Conspiracy to Commit Wire and Bank Fraud, and Conspiracy to Launder Money. She was presented on August 6, 2020 before Judge Fox, and released on bail conditions which included a \$200,000.00 personal recognizance bond co-signed by one financially responsible person, electronic location monitoring, a curfew, supervision at a level determined by Pretrial Services, surrender of travel documents, and travel restricted to the Southern and Eastern Districts of New York and District of New Jersey (where she resides). She was released on her own signature and was to have the co-signer execute the bond by today.

Unfortunately, Ms. Lee has not been able to find a co-signer. Therefore, I request that the bail conditions be modified to remove the requirement of a co-signer.

I have spoken with A.U.S.A. Michael Krouse, who consents to this request for the government.

Thank you for your attention to this application.

Very truly yours,

/s
Jesse M. Siegel
